

NIE Semester@NIE

An Institute of

Semester@NIE

NIE is offering a number of places to international undergraduate students for a semester. The Semester@NIE is an excellent opportunity if a university is looking at providing its top students with an overseas stint.

The Semester@NIE is for **fee-paying Year 2 or 3 undergraduate students** who **aspire to come to Singapore** to learn more about our education system and **experience** how we prepare teachers for different disciplines. **All courses taken are credit-bearing**. International students can **read up to six (6) NIE courses in a semester**.

NIE Integrated Programme (NIEIP)

An Institute of

Structure of NIEIP

The integrated programme comprises 3 phases:

- a) At **Phase 1**, students enroll into the programme to **embark on a Bachelor's degree** programme at their **Home (Partner) University** which typically is a 4-year degree programme.
- b) At **Phase 2**, students **enroll into NIE-NTU as Non-Graduating Non-Exchange students** for a programme of up to 1 year. Upon successful completion of Phase 2, these students could **use credits earned** from **NIE courses as partial fulfillment** of the graduation requirements of their **Home (Partner) University** and be **awarded a Bachelor's degree from their Home (Partner) University**.
- c) At **Phase 3**, **eligible students** apply and advance to a **Master's by Coursework programme offered by NIE-NTU** as matriculated full-time graduate students. Students will be awarded a Master's by Coursework degree upon fulfilling the graduation requirements of the **NIE- NTU Master's by Coursework programme**.
